RE: Union Representatives for UGSOA Local 80

Dear Ms. Foxx,

There have been changes in the leadership of UGSOA Local 80 of which all Wackenhut managers working on the 12th Circuit contract must be aware and must implement immediately.

Please note that Ava Ramey, John D. Perkins, Levitt Brown, Edwin Jones and Montgomery Gardner are no longer officers and/or stewards for UGSOA Local 80 and have no representational role with the union. They are not authorized to represent Local 80 members on behalf of the union nor speak for the union. Any communications with them will not satisfy Wackenhut's obligations to communicate, provide information and negotiate with UGSOA Local 80.

Currently, Donna Huff, Director of UGSOA's CSO Division, is the Trustee of Local 80 and, hence, operates as the head of the union. All of the information that Wackenhut is required to provide Local 80 should be sent to her. Ms. Huff's mailing address is 8620 Wolff Court, Suite 210, Westminster, CO 80031, her electronic-mail address is dhuff@ugsoa.com, and her telephone number is (303) 650-8515. CSO Gregory I. Greene has been designated as Trustee's Representative for UGSOA Local 80 and is authorized to receive communications intended for UGSOA Local 80 and speak on behalf of it and its members. He can be contacted at tel. (301) 875-2224, and his electronic-mail address is ggreene95@yahoo.com. Should you or other Wackenhut managers not be able to reach either Ms. Huff or Mr. Greene, you may contact the UGSOAIU's General Counsel, John A. Tucker, at tel. (330) 935-2530.

Please make certain that Wackenhut managers are aware of the leadership changes in UGSOA Local 80 and that they direct all communications to the proper individuals.

Sincerely,

Desiree Sullivan
President
